Summer Road Condition Definitions

OPEN

OPEN: No safety threat to the public due to weather conditions. Proceed with normal operations.

CLOSED

CLOSED: Restriction of all traffic on FLW. Emergency vehicles are unrestricted (MP's, ambulance, fire truck and DPW vehicles. Non-emergency vehicles must obtain approval from CG (Commanding General) or Authorized delegated Officer. POV travel will be restricted to mission essential personnel only.

Winter Road Condition Definitions

GREEN

GREEN: No safety threat to the public due to weather conditions. Proceed with normal operations.

AMBER

AMBER: Road conditions are difficult to hazardous with patches of ice or packed snow. Limit travel to essential traffic. Drivers must slow to 10 MPH below the posted speed limit to maintain traction and a safe stopping distance. IET Soldiers will not operate TVs or NTVs under AMBER, RED, or BLACK road conditions. TVs or NTVs dispatched must be approved by an O-5 Commander in the command concerned.

RED

RED: Road conditions are deemed or considered extremely hazardous. Packed snow 4-8", drifting snow; sheet ice. Safe travel is 10-15 MPH. Travel by TVs or NTVs is limited to emergency operations (emergency vehicles, DPW and SNAIR Support Team mission essential vehicles). The brigade commander in the direct chain of command will have dispatch approval authority for NTVs.

BLACK

BLACK: Road conditions present a real risk of life or limb. Heavy drifting snow; packed snow 8" or more; black ice. All traffic on FLW is restricted with the exception of emergency vehicles, DPW and SNAIR Support Team mission essential vehicles. Non-emergency vehicles must obtain approval from CG (Commanding General) or authorized delegated Officer. POV travel will be restricted to mission essential personnel only and will not be used in lieu of military vehicles.

Contact Range Operations at 596-2525 for Training Areas and Ranges impacted.

Contact LRC at 596-0814 for guidance/updates on TMP Troop Transportation.

Contact G-33 at 528-0798 or 573-855-1846 for guidance/updates on Water and Ammo Delivery.

- SNAIR Action Officer (SAO) Operations Phone Number: (573) 563-4045 / 6126

Media Announcements

Personnel who live in housing on post are requested to avoid parking on the sides of the street.

Please remember to slow down, wear seatbelts, and don't follow other vehicles too closely on wet or snow/ice covered roads. Check for the latest on local road conditions and the weather forecast prior to leaving home or work. Road conditions outside the gate in outlying areas may be in worse condition. Please be careful. Safety First!

Stay tuned to local radio and TV stations for the most up-to-date information as this winter weather develops. For current Fort Leonard Wood road conditions and additional weather related information contact the weather hotline at 563-4141. The weather web site is located at www.wood.army.mil/newweb.

A reminder to parents, use the Child Development Center at 596-0210 and School Age Services at 596-0239 only for mission essential care in inclement weather. Contact your center to find out what time they will be closing.

A thumbnail image of a table titled "Work/Rest and Water Consumption Table". It provides guidelines for water intake and rest periods based on temperature and activity level. The table has columns for temperature ranges and corresponding water consumption and rest requirements.

Work/Rest and Water Consumption Table			
*Always in sunlight, avoid heat, wear sunblock, drink plenty of water, and avoid alcohol.			
Temperature	Work/Rest	Water Consumption	Notes
Below 60°F	100% Work	1/2 gallon per hour	
60-70°F	80% Work / 20% Rest	1/2 gallon per hour	
70-80°F	60% Work / 40% Rest	1/2 gallon per hour	
80-90°F	40% Work / 60% Rest	1/2 gallon per hour	
90-100°F	20% Work / 80% Rest	1/2 gallon per hour	
Above 100°F	10% Work / 90% Rest	1/2 gallon per hour
